

Florida's Research and Education Network

FLR Annual Member Meeting

Day One, May 7, 2024

Agenda with Presentation Links

Tuesday, May 7, 2024		
Time (EDT)	Event	Video and Presentation Links
12:00 PM	Networking Luncheon	
1:00 PM	Host Welcome Dr. John Wensveen, Executive Director, NSU Broward Center of Innovation	
1:10 – 1:40 PM	FLR Network Update Presenter: Chris Griffin, FLR Chief Architect	Video link
1:40 – 2:20 PM	Cybersecurity and Infrastructure Security Agency (CISA) Guest Speaker: Michael Hastings, Cybersecurity Advisor	Video link
2:20 – 2:30 PM	Break	
2:30 – 3:10 PM	Leveraging National Science Foundation Programs to support Regional Research Efforts in Florida Guest Speaker: Mr. Kevin Thompson, NSF CC* Program Director	Video link
3:10 – 3:45 PM	NOAA N-Wave: Leveraging RENs to Build an Operational Network Member Presenter: Robert Sears, N-Wave Director	Video link
3:45 – 4:15PM	Atlantic Oceanographic and Meteorological Laboratory Member Presenter: Dr. Renellys Perez, Deputy Director, Division of Physical Oceanography	Video link
4:15 – 4:45 PM	Gateway Institute for Brain Research Member Presenter: Dr. William Logging, PhD, SVP Preclinical Research	Video link
4:45 – 5:30 PM	Guest Workshop: USAC Rural Healthcare Program Guest Presenters: Michael Wallace, Asst. Director, UAMS e-Link and Martin Maize, Senior PM, UAMS e-Link	
4:45 – 5:30 PM	FLR Network Engineers Office Hours (sign-up on-site)	
4:45 – 6:00 PM	Networking Social	

FLR Annual Member Meeting
Day Two, May 8, 2024
Agenda with Presentation Links

Wednesday, May 8, 2024		
Time (EDT)	Event	Video and Presentation Links
8:00 AM	Host Welcome – Mr. Robert Grillo, Vice President and CIO, FIU	Video link
8:15 – 9:15 AM	NSF 2024 CC* Program Solicitation Brief (Mr. Kevin Thompson, Program Director)	Video link
9:15 – 9:30 AM	Break	
9:30 – 11:00 AM	NSF Program Director Office Hours (sign-up on-site)	
9:30 – 11:00 AM	SSERCA All-hands Meeting	Video link
9:30 – 11:00 AM	FLR Technical Meeting	Video link
9:30 – 11:00 AM	Kick-off Regional Research Computing Workshop #1: Writing CI Plans and Engineering Sync – (Facilitator: Dr. Ravi Vadapalli, Director, IDSC Advanced Computing Systems)	
11:00 AM – Noon	FLR Combined Technical Meeting	Video link
Noon – 12:50 PM	Networking Lunch	
1:00 – 2:00 PM	Panel: Florida Research and Opportunities for Collaboration <ul style="list-style-type: none"> • Dr. Nicholas Tsinoremas, UM Vice Provost for Research Computing and Data • Dr. Julio Ibarra, Assistant Vice President of Technology Augmented Research • Dr. Erik Deumens, UF Senior Director, Research Computing 	Video link
1:00 – 4:00 PM	FLR Technical Meeting (cont.)	See earlier session for video link
2:00 – 3:00 PM	Preparing a Proposal for the NSF CC* Program (Dr. Amy Apon, Program Director)	Video link
3:00 – 5:00 PM	SSERCA All-hands Meeting (cont.)	See earlier session for video link
3:00 – 5:00 PM	USAC Rural Healthcare Program – UAMS Office Hours (sign-up on-site)	
3:00 – 5:00 PM	NSF Program Director Office Hours (sign-up on-site) James Deaton, Internet2 VP of Network Services Office Hours (sign-up on-site)	
3:00 – 4:00 PM	Regional Research Computing Workshop #1 (Day 1): Writing CI Plans Brief	
4:00 – 5:00 PM	Regional Research Computing Workshop #1: Engineering Sync	

FLR Annual Member Meeting Day Three, May 9, 2024 Agenda with Presentation Links

Thursday, May 9, 2024		
Time (EDT)	Event	Video and Presentation Links
8:00 AM	Networking Breakfast	
8:30 AM	Host Welcome – Dr. Julio Ibarra, Asst. VP of Technology Augmented Research, FIU	
8:35 AM	Opening Comments – Dr. Nicholas Tsinoremas, UM Vice Provost for Research Computing and Data	
9:00 – 11:30 AM	FLR Network Engineers Office Hours (sign-up on-site)	
9:15 – 10:15 AM	Support for Campus Cyberinfrastructure of HBCUs, MSIs, and Under-resourced Institutions (Mr. Cas D'Angelo, President Southern Crossroads)	Video link
10:15 – 10:30 AM	Break	
10:30 – 11:20 AM	Introduction to Minority Serving-Cyberinfrastructure Consortium (Ms. Leslie Jones and Mr. Russell Hoffman, MS-CC)	Video link
10:30 – 2:00 PM	NSF CC* Program Director Office Hours (sign-up on-site)	
10:30 – 2:00 PM	USAC Rural Healthcare Program – UAMS Office Hours (sign-up on-site)	
11:45 – 12:30 PM	Lunch and Learn: Lessons in Establishing a Regional Research Computing Capability – Dr. Henry Neeman, Exec Director of Research Computing, University of Oklahoma	Video link
12:30 – 3:30 PM	Regional Research Computing and Technical Workshop #1(Day 2): Writing CI plans by example <ul style="list-style-type: none"> - Working Ex. #1: Research Applications - Working Ex. #2: Education Applications There will be CC* expert facilitators in the room to assist participants with network engineering, research, or research computing and/or storage language in their CI plans	
12:30 – 3:30 PM	Technical Discussions Work Area for Network Engineering Support to CI Plans	
3:30 – 4:30 PM	Senior Research Computing Panel
